

New from North American Herb & Spice

Whole Food Wild and Remote-Source Teas *with In-Fusion Power*

In-Fusion Power is the power of wild, raw nature. With our In-fusion teas there is no waste, because the whole crude herb/spice is used. You get it all, plus the rich, exotic taste of the wild. Get the power of real and wild whole food infusions from the most remote parts of the world.

Mega-Orega—wild oregano remote-source whole food tea—Feel this power, a serious but inviting taste; the aroma is gently warming, all the way down.

Sage-o-Soothe—wild remote-source sage whole food tea—This aromatic wonder soothes as it builds. Whole food is always better.

Pom-o-Perk—remote-source pomegranate flower whole food tea—What a perk it is to drink this potent infusion; the brilliant crimson color and the bright taste tell all.

Hearty-Hibiscus—is a nutritional-rich whole flower tea loaded with trace minerals and flavonoids. Let the power of wild flavonoids give you the strength you need.

Rosey-Rich—wild high-mountain crushed rose hip whole food tea with wild-source vitamin C—An incredible tea either as a cold infusion or warm tea. Traditionally used for better health—body, mind, and spirit.

Sumac-Surprise—wild remote-source crushed sumac berry and citrus infusion tea—The most antioxidant-rich fruit with an ORAC of 29,000—A true super fruit, wild sumac is also a source of natural vitamin C plus calcium and magnesium—all in a naturally balanced and bioavailable form.

Yarrow-Yes—wild crushed yarrow flower whole food tea—What could be more potent and healthy than yellow yarrow flowers pulverized into a natural tea infusion. Get the benefit of whole, wild yarrow with this potent tea.
